You need a Perfect One.
A perfect Companion,
A perfect Complement,
A Soul mate

- It has always been a Mystery in me how two hearts can come together. Now All my questions have gone , God has send a perfect one. When God Created you I wonder whether He knew everything I would need. Because he made all my dreams come true. When God made He was Thinking of me.
- Wherever you will go, I will go with you I will not let anything come between me and you
